The training will be from 8:00-3:00 or 3:30 in the Music Room (Red Hall room 712) with a 30 minute lunch break around 12:00 or so on:

We are looking forward to this training!! It is part of our CEIS money and plan.

Subject: PL and SLO

Kelly-

It has come to my attention that we have 1 kg student that scored 100 on the SLO. We have adjusted instruction for that student. Today is the deadline, but should I add the statement I did on the PE SLO growth target to the Kg one (that students scoring 99 or 100 will maintain their score)?

Also, as far as PLs for October, I will also be hosting the Blue Club Meeting (our new teachers) on **October 21st at 3:30** in the Blue Lab as part of the Teacher Induction Program. I will provide info on our assessments and looking at that data and surveying them on any needs they may have.

Thanks!

Subject: System Walk Through

Good afternoon, ladies-
Would Tuesday, October 21st work for the PCPS Walk Through?

Also, Kelly-
Our 1/2 day PL in October will be Handwriting Without Tears (we have finally secured a trainer). So that date will be tentative until I hear back from the rep. But the planning time PLs will be with me.

1/2 day PL: Thursday, October 23rd (PreK&K AM 8:00-12:00, 1st & 2nd PM 12:30-3:30)
Planning time PLs: Thursday, October 9th - Literacy
Thursday, October 30th - Math

Thanks so much!
