

## **Mission**

The Putnam County Charter School System recognizes that each child is an individual; that all children are creative; that all children need to succeed. Therefore, Summer Inspiration focuses on the individual needs of children by fostering a caring and creative environment; and emphasizes the social, emotional, physical, intellectual development of each child.

## **Goals**

To provide positive extended activities through summer with continued intellectual and social development

To encourage students to try new experiences and be able to demonstrate a new skill or knowledge gained

To develop self-confidence and self-respect and an appreciation of their own worth as individuals

To learn to share new knowledge with teacher, peers and family and use summer experiences as an opportunity to strengthen relationships

To have the opportunity to lead others and demonstrate positive communication skills for encouraging others, sharing ideas, and building friendships

To develop the ability to make educated decisions in life and making positive future choices at school and home

To support the community by providing positive summer activities available to all students of Putnam County Charter School System

To provide opportunities for Putnam County Charter School System staff to share their skills and knowledge of a personal passion for learning with students

To provide opportunities for Putnam County Charter School System students to develop employment skills and job responsibilities while working with younger students
